**BOCA RATON'S PROMISE PRESENTS
FIRST CORPORATE STAR AWARD
TO PRIME MANAGEMENT**

BOCA RATON, Fla. – Boca Raton's Promise --The Alliance for Youth has awarded its first Corporate Star Award to Prime Management. The award recognizes the company's ongoing and generous support, including donating prime Boca Raton office space and services to the non-profit organization.

Dr. Merrilee Middleton, Founder and President of Boca Raton's Promise, presented the award to Charles D. Sollins, President and CEO of Prime Management, Florida's leading provider of services for homeowner and condominium associations.

Rita Thrasher, Boca Raton Promise's executive director, explained that Prime Management came to the rescue when her organization needed to relocate and it proved challenging to find affordable office space. Prime Management carved out a suite of offices in its own headquarters building at 6300 Park of Commerce Blvd., which Boca Raton's Promise has occupied free of charge since March 2006. The Company also underwrites some services, including a DSL line. In all, the support represents a commitment of more than \$30,000 to date. Sollins and Prime administrator Carol Cedar also participate with the organization's newly established Community Character Council.

Boca Raton's Promise is dedicated to improving the lives of youth in the greater Boca Raton area by providing the fundamental resources needed to lead happy, healthy, and productive lives. The Corporate Star Award is in appreciation of Prime Management's support of the 5 Promises for Youth - caring adults, safe places, a healthy mind and a healthy body, marketable skills and opportunities to serve, said Thrasher. Sollins also was presented with the America's Promise Red

Wagon, a trademark of the national organization established by founding chairman, General Colin Powell (ret., USA).

“As a company with more than 900 employees, we recognize how important the right work environment can be to achieving success,” said Sollins. “We are glad to support an organization that makes such a positive difference in our community.”

Prime Management manages 350 HOA and condominium associations, comprising 60,000 units in Palm Beach and Broward Counties, and is one of the area’s largest employers with more than 900 employees.
