#### WEST BOYNTON

##### **Playground refurbishment to be finished this week**

Boca Raton-based Prime Management this week completes a \$26,500 community service project refurbishing the Caridad Center's playground and outdoor areas.

The Caridad Center, at 8645 W. Boynton Beach Blvd., provides free medical and dental care to low-income families in Boynton Beach and west of Boynton Beach.

The refurbished playground is important for children who are waiting for a parent or guardian to receive free care, said Anna Marie King, the center's spokeswoman.

During the reworking, trees were trimmed, the gazebo was painted and the irrigation system was upgraded. The playground equipment also was updated.

Prime Management employees also are donating children's books for the center's waiting room.

The playground makeover is set to be completed at 10 a.m. Friday.
